

For students who received oral evaluations during Professional English III lessons, the final average will be calculated as follows:

$$\{[(V1+V2): 2] + V3\}: 2$$

V1= First semester oral evaluation (Speaking + Presentation)

V2= Second semester oral evaluation (Speaking + Presentation)

V3= Evaluation of the written exam

For students who take oral exams during the exam session, the final average will be calculated as follows:

$$(V1+V2): 2$$

V1= Oral exam evaluation

V2= Evaluation of the written exam
